*December 22, 2009*

**Merry Christmas**

**To all DJs, Fans, Family, Friends,  
Promoters, Music/Business Associates**

At this very special time of year as we are celebrating the Birth of Jesus, my thoughts also turn to you. What a perfect time it is for me to express my gratefulness for the many blessings I have received from God and to also send you an expression of my appreciation for all that you do to help me throughout the year. The kindness, opportunity, hard work and

love you have given me will never be forgotten. All of you are helping me reach for high professional and personal dreams; together, we are accomplishing things far above any of my expectations.

## *RELEASES*

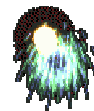

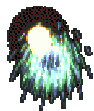

Your support of all of our radio releases has been awesome...thanks to you, all of our releases have been both successful and received very well. We continue to appear on many, many playlists and charts in the USA and throughout the world...for that, we are again so grateful.

**We are attaching two mp3s to this Newsletter that seem appropriate for Christmas:**

- 1) "VISON'S" Writer: Cheryl K. Warner
- 2) "IT'S OK KIDS" Writer: Ed Mugavero

## *PLANS FOR 2010*

We will be making a business trip to Las Vegas early in 2010 to meet with our business associates there for business planning. We have many projects on the drawing board; with God's help and the help of all of you, we are hopeful that 2010 will be our best business and personal year ever! We will definitely keep you posted on what's happening, so stay tuned!

***HAPPY NEW YEAR!***
