We appreciate you!

A few words from Cheryl K:

To my family and fans:

Thank you from my heart for giving me the inspiration to sing and to continue working on my career.
Your love and support mean everything to me.

To the DJs and Radio Stations who play my music:

I so appreciate you and your airplay...your support of my music truly means the world to me! Thanks a million for giving me the opportunity to have my music heard. I am very honored and humbled to receive your airplay from all over the world.

To my business associates:

You work so hard in my behalf, always going beyond my expectations. Thank you from my heart for your support and all that you do. Together, there are no limits as to where we can go.

“Dreams”

According to Cheryl K. “Dreams” is described as “A very romantic song that makes you feel a personal longing of the heart.”

“Dreams” is currently in the early stages of promotions. We are making extremely good progress and things are looking very good. Most DJs who have received it are giving it airplay!

Your continued support is needed for radio requests of

"Dreams". If DJs don't have single, it can be downloaded on 2 DJ Song Pools on the Internet: New Music Weekly Pool & Roots Music Pool.

Your continued support for "Dreams" is also needed on the Internet. Currently it is accessible on many Internet sites and available for download.
