**Dear DJs, Promoters, Music Associates,
Business Associates, Fans, Family &
Friends,**

Since April 21st was my birthday, I have been celebrating all the good things in my life, the greatest of those things has been a celebration of my relationship with God and a celebration of all the wonderful people that I have in my life. Thank you from my heart to each of you who touch me with your goodness and love everyday. As I reflect on my birthday, you cannot imagine how much your kindness means to me and I am indeed very grateful.

Welcome

WELCOME HEATHER!

We are very fortunate to be adding Heather Amo to our staff as an Intern for Warner Productions. Heather is originally from Eastpointe, Michigan, but now lives in Old Hickory, Tennessee.

She is very proficient with computer/internet work and will be assisting Tiffany with many special projects. Heather will certainly be an asset to Warner Productions; her enthusiastic attitude is quite infectious!

† REMEMBERING JOHN W. GOLDEN... †

John W. Golden, who was my music mentor and good friend, lost his long battle with cancer on May 21, 2010. He went to be with the Lord peacefully, surrounded by his loving wife, Kei and their family. John had a “bigger than life personality” and will be missed tremendously by his family, friends and the music business industry. He was a multi-talented, consummate music professional, wearing many musical hats during his illustrious career...recording and stage producer, recording

engineer, television and movie soundtracks, record label executive, music business management, A & R, and more.

John gave me my first break in music...my husband and I will be forever grateful. My career was started because of his belief in my talents...he has helped us through every avenue of our musical journey. John labored many, many hours on my latest musical project with the perfectionism so characteristic of him. This work is the best of my career and will certainly be his legacy to me as an artist. His work with virtually “everyone” in the music industry will long be remembered...Whitney Houston, Shania Twain, Frank Sinatra, Johnny Cash, Heart...to name only a few.

IN HONOR OF OUR MILITARY MEN AND WOMEN

It is our privilege to celebrate, honor and show appreciation to our military men and women for the sacrifices that they have made for our freedom. THANK YOU from our hearts does not seem adequate. We will be forever grateful to each of you for making the UNITED STATES OF AMERICA the light and hope of the world.

We are grateful for the airplay of the DJs for helping “DON’T COME KNOCKIN” “ and “IT’S OK KIDS” appear on the May 19th EUROPEAN COUNTY MUSIC ASSOCIATION CHART.

Here is what the DJ's and fans say about Cheryl K.:
